COMPANY PROFILE

Malaysia's Go-To Glass & Mirror Brand
For Customisations

CLV GLASSTECH

Established in 2020 by Mr. Josh Chew, a Malaysian brand under CLV Group of Companies which is also supported by Lien Yeu Glasstech (M) Sdn Bhd, a glass processing manufacturer with over 50 years of experience in the market. CLV Glasstech started off with selling customised LED mirror and glass and till now we are already providing a full range of service for different solutions. By continuing our journey exploring new possibilities in glass and mirror industry, we believe that our products can reflect every unique vision, bringing imagination and creativity to life.

REFLECTION OF CREATIVITY

“Reflection of Creativity” is our guiding principle at CLV Glasstech. We believe that mirrors and glass are not just functional items, they are also canvases for creativity reflecting each and every individual’s imagination. It can be a source for individuals to get ready to step into a world where reflection becomes art, where creativity knows no bound.

Explore infinite clear possibilities with us.

PARTITION

Partitions are essential for dividing spaces within a room or building. Available as movable walls, fixed panels, or modular systems. Using glass partitions can create brighter atmosphere, maintain a sense of openness and transparency within a space and provide aesthetic appearance.

DOOR SYSTEM

Doors often are the first thing you notice when entering a room. A customised design door can convey the style of the owner and make a strong impression. Ranging from sliding door, folding door to swing door, choose your own style to suit different architectural styles and preferences and apply in any space.

SHOWER SCREEN

Bathroom and Shower is one of many spaces which widely uses glass panels. Elevate the ambiance with our custom glass panel and enjoy your private time. Glass shower screen have a timeless look that's attractive and also useful. It requires low maintenance, enhances space perception, and provides customisation options. Add on our customised mirror and glass shelves to give your bathroom a complete

BALUSTRADE

Balustrades are commonly used in balconies and staircases acting for safety purpose but why not make it visually appealing too? Delve into endless glass balustrade designs with us. Glass balustrade ensures safety and peovides aesthetic enhancement, making them popular for homes, commercial buildings and even outdoor spaces. All balustrades come with different systems which fully adapt your space, offering durability and style.

COLLECTIONS

Explore our extensive range of glass products designed to enhance your home interiors. From various type of glass for superior safety and durability to decorative glass that adds a touch f elegance and style, our collection offers the perfect solutions for all your needs. Discover how our innovative glass products can transform your living spaces into stunning showcases of design and functionality.

LIVING ROOM

Glass partitions or panels are an ideal solution for maximizing space in your living room. Adding a modern twist, they elevate aesthetic appeal and create a unique ambiance that seamlessly blends with any decor. Enhance your living space with our stylish glass panels, allowing natural light to flow freely and making the room feel larger and more open.

BATHROOM

Transform your steamy spaces with our custom glass panels and enjoy a quality time! Choosing certain designs and patterns can provide you extra privacy too. Waterproof, rust proof and termite proof giving it a lasting durability and worry free from the humid environment.

KITCHEN

Partitioning a room without shrinking its space is easily achieved with glass panels. These panels seamlessly divide areas like the dining room into distinct sections while maintaining an open, airy feel. The ideal thickness ensures minimal space is taken up, preserving a sense of openness and continuity. Enhance your interiors with our elegant glass panel solutions.

BEDROOM

Create a serene bedroom retreat is important after a long day and glass panels have the power to give your bedroom a luxurious look. You can also maximize space by separating the large bedroom from the dressing area. Movable glass panels can significantly increase airflow each time you pull it open.

COMMERCIAL

Enhance your commercial building with sleek glass panels for a modern architectural design. Choose clear glass for showcasing goods and patterned glass for workspace privacy. Our quality commercial glass adds charm, durability, and resistance to any structure.

PROJECTS

Discover our versatile mirror projects enhancing luxury hotels, modern offices, and high-end homes. Our mirrors blend aesthetic appeal with functional benefits, transforming spaces with quality and design excellence.

WARDROBE

Functional and fashionable, perfect for this dedicated space. Giving you a head-to-toe view, ensuring your outfit is perfectly coordinated for the day

WASHROOM

LED mirror with front lighting giving a flawless soft glow effect making it the ideal grooming tool for everyone
